Streetscape Improvement Project**

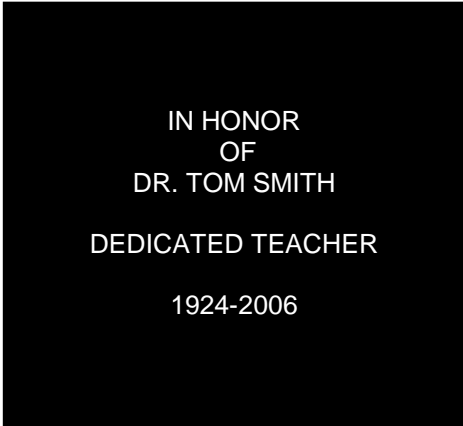

Application to Reserve Pavers for the Community Stage Area

What Will Appear on Paver

Your paver may have up to 12 lines of no more than 21 characters each. Each letter, symbol, or punctuation mark counts as a character. Be sure to add one space after each period, comma, or other punctuation mark. Every effort will be made to have your paver printed as you have requested, but the City of Lenoir and Bricks R Us reserve the right to edit as necessary for clarity, space, or to correct spelling and grammar. Please complete an application form for each paver you wish to order. As a guide, a sample application blank has been filled out below.

How The Finished Paver Will Appear

The City does not maintain pavers in perpetuity. Unfortunately, due to year-round foot traffic and weather, the pavers will wear out and become unreadable over time. Residents can buy replacement paves for \$125.00.

Please print what you want to appear on your paver in the spaces below—one space for each letter, punctuation mark, etc.

YOU WILL BE NOTIFIED WHEN YOUR PAVER HAS BEEN INSTALLED.

You may drop this application off with your payment at the Collections Desk at Lenoir City Hall first floor or mail the application with your check to:
