

City of Lenoir Veterans Memorial Paver Order Information

Veterans Memorial tiles cost \$125 for new and replacement pavers and are ordered twice a year.

To have a tile placed in the Lenoir Veterans Memorial by the Memorial Day Service in May, you must order the tile by the last Friday in March. Tiles may be purchased only as long as there are available spaces at the Lenoir Veterans Memorial.

To have a tile placed in the Lenoir Veterans Memorial by the Veterans Day Service in November, you must order the tile by the last Friday in August.

MAINTENANCE

The City does not maintain pavers in perpetuity. Unfortunately, due to year-round foot traffic and weather, the pavers will wear out and become unreadable over time. Pavers in certain areas wear out faster than others. Residents are welcome to buy replacement pavers, and staff will try to place the replacements in the same location.

For more information, call the Communication & Public Information Director at 828-757-2177 or email jharris@cityoflenoir.com.

Veterans Memorial Order Form

Due to the manufacturing and shipping process for the tiles and construction schedules for the memorial, placement of tiles in groups or with particular individuals cannot be guaranteed.
